Is there a hearing request? Would be good to know from ADEQ if they get one.

Hi David,

This is the person following the project. He's providing draft APP comments to us. I think it's worth being aware of their technical comments.

FYI, Nancy

Hello Nancy,

Earthworks and others volunteer these attached comments for your information. We look forward to reviewing EPA's Draft UIC permit soon. Do you have any indication of the timing for their release?

Thanks,

--Pete
